Couples Counseling • Relationship Issues • Men's issues • Trauma Informed Trained • Mood Disorders (Depression, Bipolar, Dysthymia, etc.) • Family conflicts • Parenting problems

PROFESSIONAL STATEMENT

Edward has been in the helping profession since being honorably discharged from the United States Marine Corps in 1978. He has worked in such arenas as Foster Care, inpatient psychiatric hospitalization, in-home services, psychiatric residential treatment facilities, and various other treatment settings.

Edward has a longstanding history of training and supervising other professionals in the clinical field. Edward enjoys working with couples in crisis.

He utilizes several evidenced based processes during the couples counseling session as well as including research-based interventions. Edward also works well with individuals who are seeking counseling to work on making life changes to improve their relationships, sense of happiness in life, and ability to function in life.
